

LATE SHOW

The characters around the Ouija board can be divided into eleven pairs, where one was a ghost in a movie and the other was a living person who could communicate with the ghost. Figure out the pairs (you may use Internet research) and connect the characters with lines. Each line will cross a single letter on the Ouija board. Put the letter in the blank above the movie that featured the pair. When you're done, the letters will spell a piece of advice to an actor who is cast in the role of a ghost.

The Ouija board contains the following letters:

A	B	C	D	E	F	G
H	I	J	K	L	M	
N	O	P	Q	R	S	T
U	V	W	X	Y	Z	

Surrounding the board are 22 circular portraits of characters from various movies, including living people and ghosts. The board is on a wooden surface with a dark border.
